

# The Bath Doctor

- Resurfacing - Baths, Shower Trays, Basins, Sinks, other things!
- Repairs - Bath and Shower Tray chips, scratches treated, cracks repaired.
- Colour matching or changing.
- Expert advice and help.
- Fully Guaranteed.
- Covering Oxfordshire, Buckinghamshire, Berkshire, & Hertfordshire.

Based near Thame in Oxfordshire, we have been specializing in on-site restoration and repair of Baths and Shower Trays for more than 25 years.

Cast Iron, Enamel, Steel, Acrylic, Resin – any type of material can be treated using the appropriate systems.

We do not compromise by offering different types of finish - our aim is always the highest possible quality using the best materials.

If you would like to telephone on 01844 351474 we are happy to give an accurate price estimate. If you are unable to call us during the day please call weekday evenings from 6-7 pm.

## Customer Testimonials

Thank you so much, the bath looks better than we ever imagined. We are so pleased.

Mr. & Mrs P.  
**Bicester**

Thanks for the great job on the bath.

T.M.  
**Buckingham**

Thank you for carrying out the repair to the bath so promptly.

J.S. & Sons  
**High Wycombe**

Many thanks for such a speedy and efficient repair of our shower tray.

K.A.  
**Banbury**
